Well Known Couple Give Their Friends a Surprise.

(Special to The Times-Dispatch.)

EMPORIA, VA. Sept 6.—Mr. Carter N. Williams, Jr., and Miss Hattle Lifsey, both of Emporla, were married at an early hour this morning. Miss Lifsey was a reigning belle in this section and is greatly admired by all who know her. She is the second daughter of Hon. Charles Lifsey, of Emporla. The groom, Mr. Williams, is a very popular young man and is the cashler of the Belfield branch of the Greenesiville Bank, of this city. He is also a brother of Mr. E. A. Williams, cashier of the Greenesville Bank here, and a son of Colonel C. N. Williams, Sr. f the Boydton, Va., banker.

Only the immediate members of the families of the contracting parties were present from Emporla, while the out-of-town relatives were Colonel and Mrs. C. N. ASHLAND, VA., September 6.-The tragic death of Ritchie W. Vaughan at Milford, on the Richmond, Fredericks-burg and Potomac Railroad was a shock to the comunity. morning. His absence during the following day and night caused uneasiness, as no trace of him could be found.

Acting Coroner R. S. Hargrove, of Penola, held an inquest, and the jury decided that young Vaughan was killed by the morning train.

That a revolver and hoister was found on the young man at the time of his death is explained by the fact that the Vaughan residence is in the remote suburbs of Ashland, and it was his custom to carry a revolver on the dark and lonely route from the hotel to his hame as a means of protection. He frequently was the sole occupant of the home during the absence of the family.

RITCHIE VAUGHAN.

The sad death of the young man, who was very popular here, has cast a gloom over the town. He was liked by all who knew him and was just entering young manhood, being in his twenty-third year. He was a son of the late I: N. Vaughan, a wealthy tobacconist, of Richmond. For the past two sessions he has been attending the Massachusetts institute of

(By Associated Press.)

TALLAHASSEE, FLA., Sept. 6.—Since Saturday night's trouble, it has been learned that there are five "Before Day Clubs" in Leon county. While it is stated these clubs were organized last Christmas there are a number of persons who will make affidavit to the cfact that these clubs have been known in Leon county for the past three years.

It is stated here that three years ago a negro appeared in Richmond, Va., (many averring that he came direct from Waslington city), who made an incendiary speech, advising the organization of the "Before Day Club." This organization has become national in its character. The clubs in this county are located at Tallahassee, Lake Hall, Lake Jackson, Dawkins Pond, and the Meridian neighborhood. Many of the best negroes of the county have refused to become members and are not in sympathy with such an organization. It is firmly believed here that Mr. Epps was a victim of this organization and many of the people in this section' are nervous and excited, but there are a number of men in Leon county who are prepared to meet and settle the Issue squarely.

BELMOT AVERTS BIG "L" STRIKE

(By Associated Press.)
NEW YORK, September 6.—Vice-President Bryan, of the Interborough Rapid Transit Company, to-night announced that the strike question is practically settled, and that the details will be ar-

tied, and that the details will be arranged to-morrow.

"The boys will get three and a half a day and ten hours," hesaid, as he left a conference at which, August Belmont and officials of the Interporough Company and national and local officials of the unions interested were present.

Up to forty minutes before the conferences ended, indications were that New York would have the biggest strike in its history, and preparations for it had been made, not only by the men and the company, but by the police. Then August Belmont said he would give the \$3.50 if the men would agree to ten-hours, and the terms were accepted. The details will be arranged to-morrow.
